SUNDANCE THEATRE CAMP

Ages K-14 years

Each day the campers work at their own pace in a nurturing environment, while embracing and celebrating their individual talents. The STC model is specifically designed to help children understand the importance of ensemble work and cultivate respect for the process of building a production. Each session will conclude in an unforgettable Sundance musical theatre stage production and art show!

•Dance Technique:

Ballet, Tap, Jazz performance quality/theatrical style emphasized!

•Acting:

Theatre games, improvisation, scene study, one on one monologue and audition coaching.

•Voice:

Awareness of breath, vocalization, and ear training through solo and ensemble instruction.

•Musical Theatre Workshop:

putting it all together, interpretation, presentation and acting through a song.

•Production workshops:

Weekly master classes taught by industry professionals will be offered in: set design, stage combat, costume/prop design, stage makeup, and theatre history.

•Visual Art Workshop:

Art projects that enhance the campers experience will be offered twice a week. The projects will incorporate many design principles and tie in with the theme of the production.

CREATIVE ARTS CAMP

Ages 2 years to Pre-K

Music & Movement • Storytelling
Sports & Games • Arts & Crafts Puppets •
Science • Outdoor Fun!

This is a full summer program that will be loads of fun from start to finish! Campers expand their knowledge-base while having fun through lessons in children's literature, visual art, science and physical activities. Whether creating a bird feeder, painting plein air, sculpting with play doh or making stories take flight, campers will use their imagination while making friends and enjoying the fun of summer. Every day will be filled with wonder.

FINE ARTS

CAMP
